Subject: RE: Green America Recycling

Christine,

On behalf of Green America Recycling ("GAR"), attached please find the preliminary response to the Release Questionnaire received on April 24. This response is timely submitted. However, the response is preliminary, as GAR is still in the process of conducting an incident investigation. GAR answered the Release Questionnaire to the best of its ability based on the status of the investigation at this time. GAR reserves its right to revise or supplement its response if new or additional information or belief becomes available as the investigation continues.
